

Georgia **FIRST** Robotics

Robotics Symposium

Call for Proposals

Georgia **FIRST** will host our second annual Robotics Symposium, November 4, 2017 at Georgia Tech, Instructional Center (IC) Building. This all day, conference style event, will bring together FLL, FTC & FRC teams, interested educators and administrators, coaches, mentors and anyone who would like more information about **FIRST** on so many levels. An all call for presenters is posted on our gafirst.org website. I encourage you apply to be a presenter and pass along your vast knowledge to the FIRST community. Sessions are both technical and non-technical.

Georgia **FIRST** Robotics
Symposium Saturday,
November 4, 2017 Georgia
Tech, Instructional Center
8:00am – 4:00pm

Sessions will run for 50 minutes unless otherwise noted. AV will be provided in each presentation room.
